Interest Free Finance Information

Elite Thoroughbreds are able to offer **two** options should you decide to apply for interest free finance for your share in a racehorse:

1. 6 Months, no deposit, interest free finance
2. 1/2 deposit, with 12 months interest free finance on the remainder

You are able to choose when you want to make your repayments being **weekly**, **fortnightly** or **monthly**, and you are able to choose the repayment amount.

You are able to exceed the interest free period and at this point, you will revert to the interest rate specified on your contract which will range from 1.25% per month (the final rate will be clearly specified on the contract prior to signing).

What next? Once you decide on which share you would like to purchase, and what interest free finance option you would like to use, simply supply your contact details so that we can pass them on to our finance department.

A staff member from our finance department will contact you and record a few basic details (i.e. Address, licence number). These details will enable our finance department to perform the basic checks required in order to grant you approval.

Approval is usually granted within 48 hours...

Once the posted contracts are completed and returned... You then own a share in a racehorse! **Require further information?** Do not hesitate to contact us!
